Clarification:

The Company hereby clarifies that the aforesaid orders are routine in nature and have been received in the ordinary course of its existing Engineering, Procurement and Construction (EPC) operations. The contracts do not involve entry into any new business segment and do not result in any change in the Company's business model, risk profile, capital structure, financial position, or operational strategy beyond what has already been disclosed in the offer documents. The terms and conditions of the orders are standard commercial terms customary to such contracts and do not contain any unusual or extraordinary stipulations.

This disclosure contains only factual information relating to the aforesaid orders and does not include any forward-looking statements, projections, forecasts, or estimates of future financial performance or profitability.
